Subject: Regarding iStart Innovation Challenge (IIC) 2020 under the Challenge for Change platform of iStart Rajasthan.

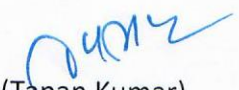

Ref.: Technical Committee MoM vide no. F5(1065)/DoIT/Tech/17/Pt-I/ML-3453/2021 Dated 20.09.2021

Sir,

This is in reference to the iStart Innovation Challenge (IIC) 2020 for which presentation of shortlisted startups under various challenges were done before the technical committee of DoIT&C 16.06.2021. Further to these presentations your solution for Visitor Management System (VMS) has been found to be most suitable among the shortlisted startups.

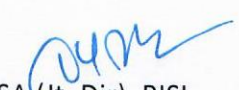

However, it was observed by the technical committee that presently only Touch less Mobile based Visitor Management System (VMS) may be considered looking to the Covid-19 pandemic where in manual passes have hazard of spreading the disease. It was decided to procure the VMS solution as per the requirement.

Therefore, you are requested to provide technical and financial quotation for the Touch-less Mobile based Visitor Management System (VMS) by 22-09-2021.

(Tapan Kumar)
